How to use

1. Print on cardstock if you can (plain paper is fine too).
2. Cut on the dashed lines. One word per card.
3. Learn 3–5 new words a week — not the whole list at once.
4. Quick flash: show the card, child says the word. Keep it short.
5. Mix in words they already know so practice feels easy.
6. Tick the checklist when a word is read quickly, without sounding out.
