Euro Coins 1c to 20c

Coin values, coin totals and shop play

Junior and Senior Infants · Ages about 4 to 6

Black and white · Free printable

Know the coins 1c, 2c, 5c, 10c, 20c and 50c.

Count how much is in the piggy bank.

Find small coins that make a bigger one.

Cut out price tags and play shop.

Note for grown-ups

What this teaches

Your child learns the coins 1c to 50c, counts totals up to 10c (Junior Infants) or 20c (Senior Infants), and sees that small coins can make a bigger one.

What comes next

Playing shop with the price tags and paying with real coins, then totals up to 50c.

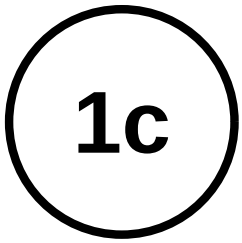

What you need

Real 1c, 2c, 5c, 10c, 20c and 50c coins, a pencil and scissors. Keep coins away from children under 3, as they can be swallowed.

50 cent

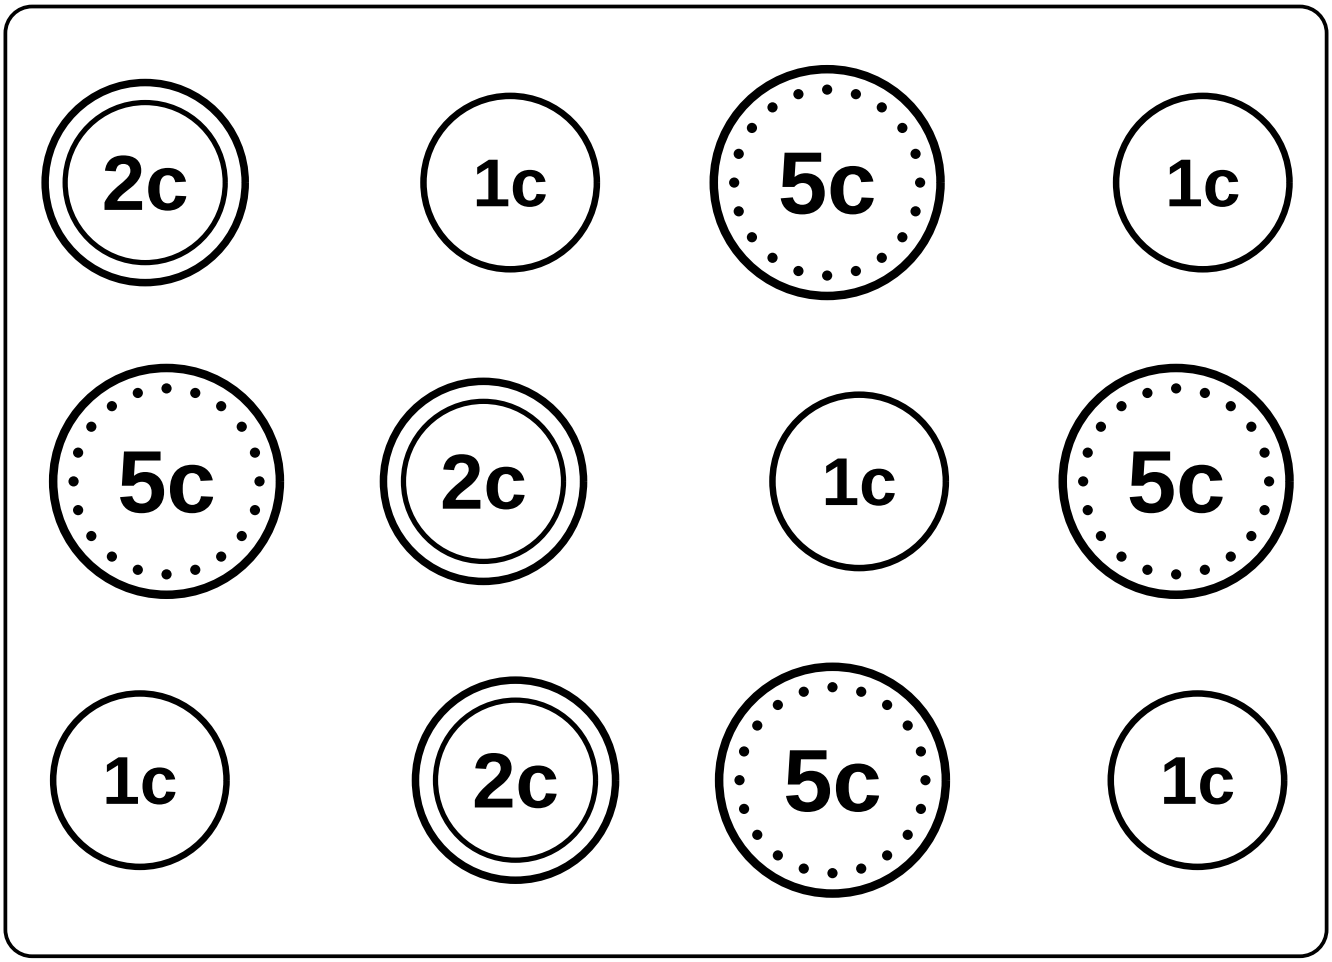

Look closely: the 10c coin is a little smaller than the 5c coin, but it is worth more. Always read the number on the coin.

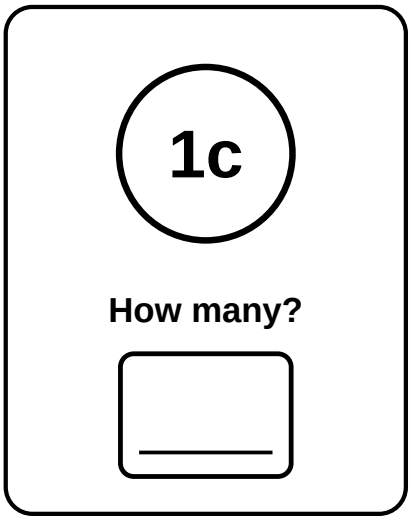

Coins are not drawn at real size.

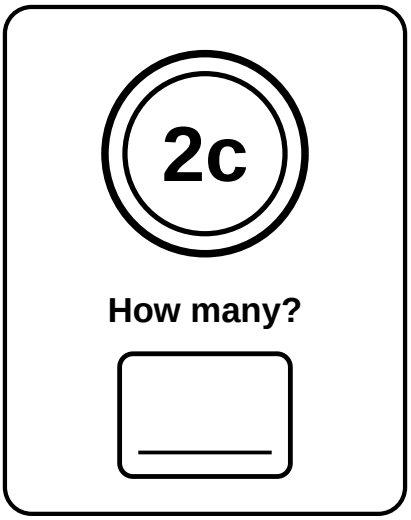

Sort the coins

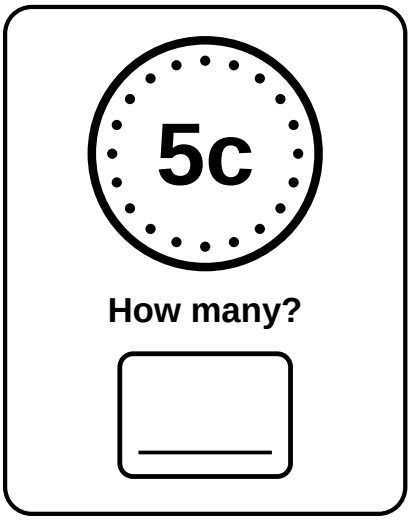

Count the 1c coins, the 2c coins and the 5c coins. Tick each coin as you count it. Write how many in each box.

Junior Infants

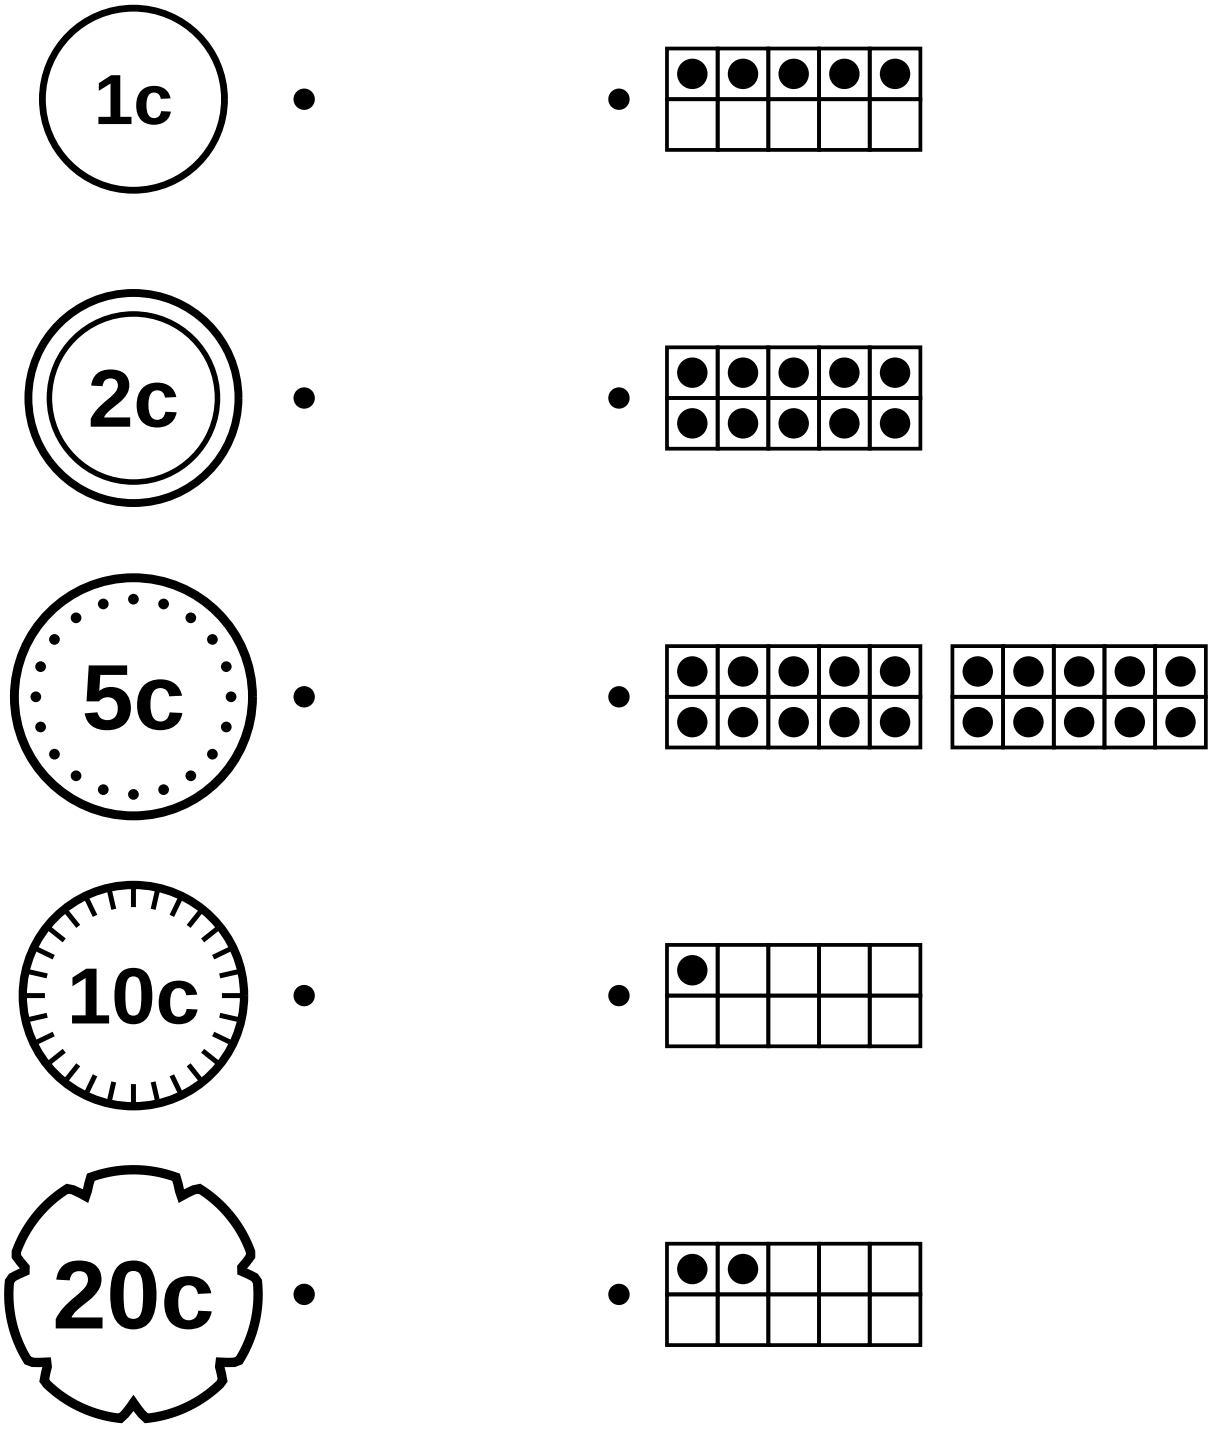

Match the coin to its value

Each dot is 1 cent. Draw a line from each coin to the dots that show its value.

Junior Infants: match 1c, 2c and 5c. Senior Infants: match all five.
