

Number Bonds to 5

For ages about 4–6
Reception · junior infants

Free printable · Black and white

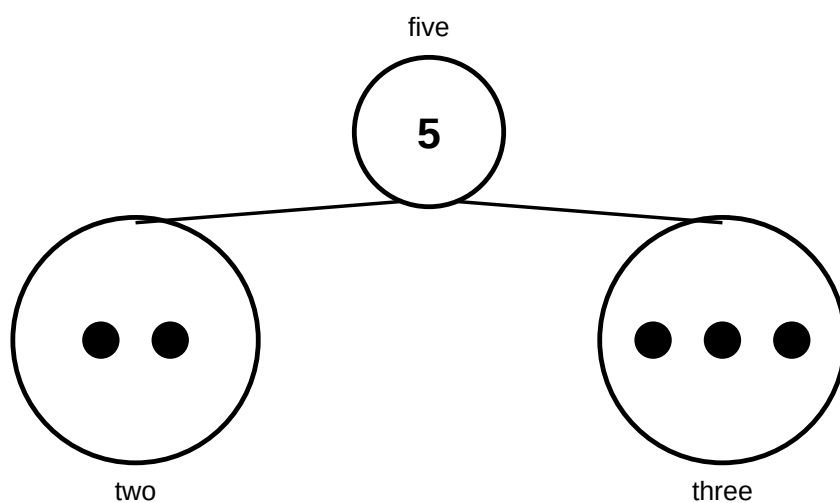

Two and three make five.

Say the two parts, then the whole.

A note for grown-ups

Say the two parts, then the whole.

Say “two and three make five.”

How to use this pack

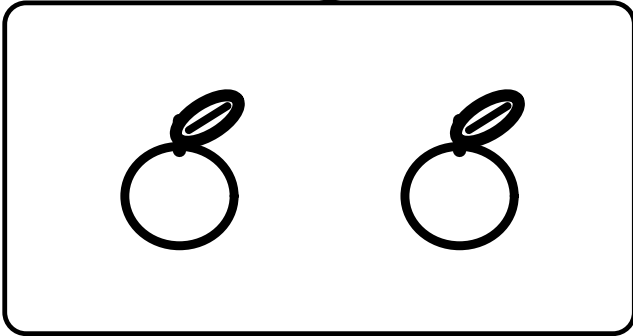

1. Point and count the pictures with a finger before anyone writes.
2. Say the two parts, then the whole.
3. A spoken answer is enough. Use the write boxes when writing is ready.
4. Pages 3 to 8 stay with 5. Draw or circle the missing part on page 6.
5. Pages 9 and 10 stretch to 10. Save them until 5 feels easy.
6. Stop while it still feels calm. One page a day is plenty.

Print at home. Personal use. This pack is free.

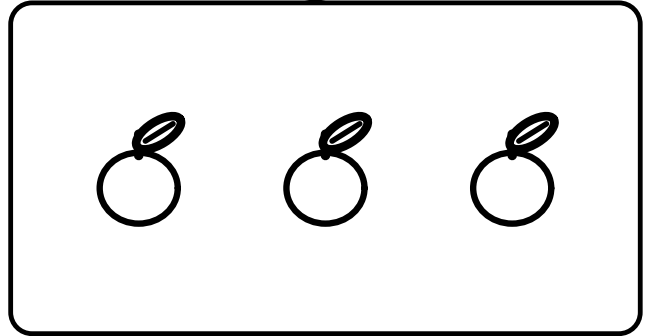

Groups that make 5

Count the apples. Write each part, then write the whole.
