

Kids Pre-Writing Lines Trace Pack

Pencil control · Getting ready to write

For ages ~3–5 · Instant download

Start at the teal dot · Trace toward the arrow

Personal use · Print as many as you like at home

Homeschool Hub

Short horizontal strokes

Start at each teal dot — trace left to right

Longer horizontal lines

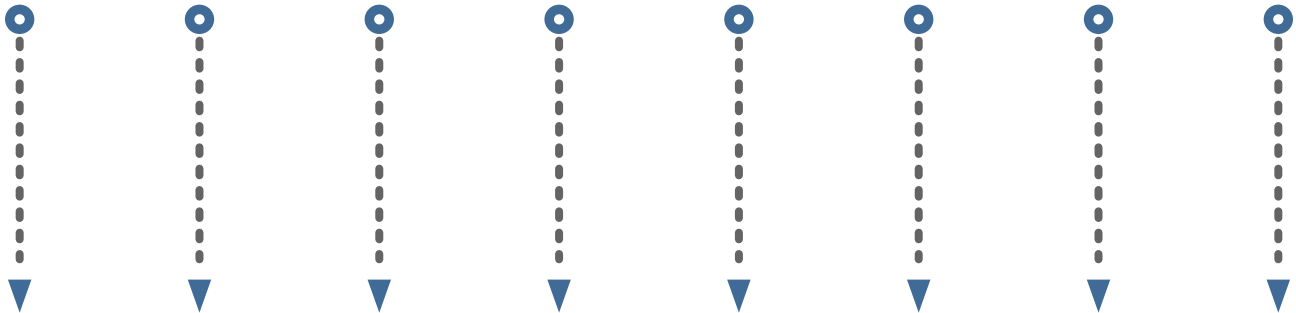

Keep going — smooth left-to-right strokes

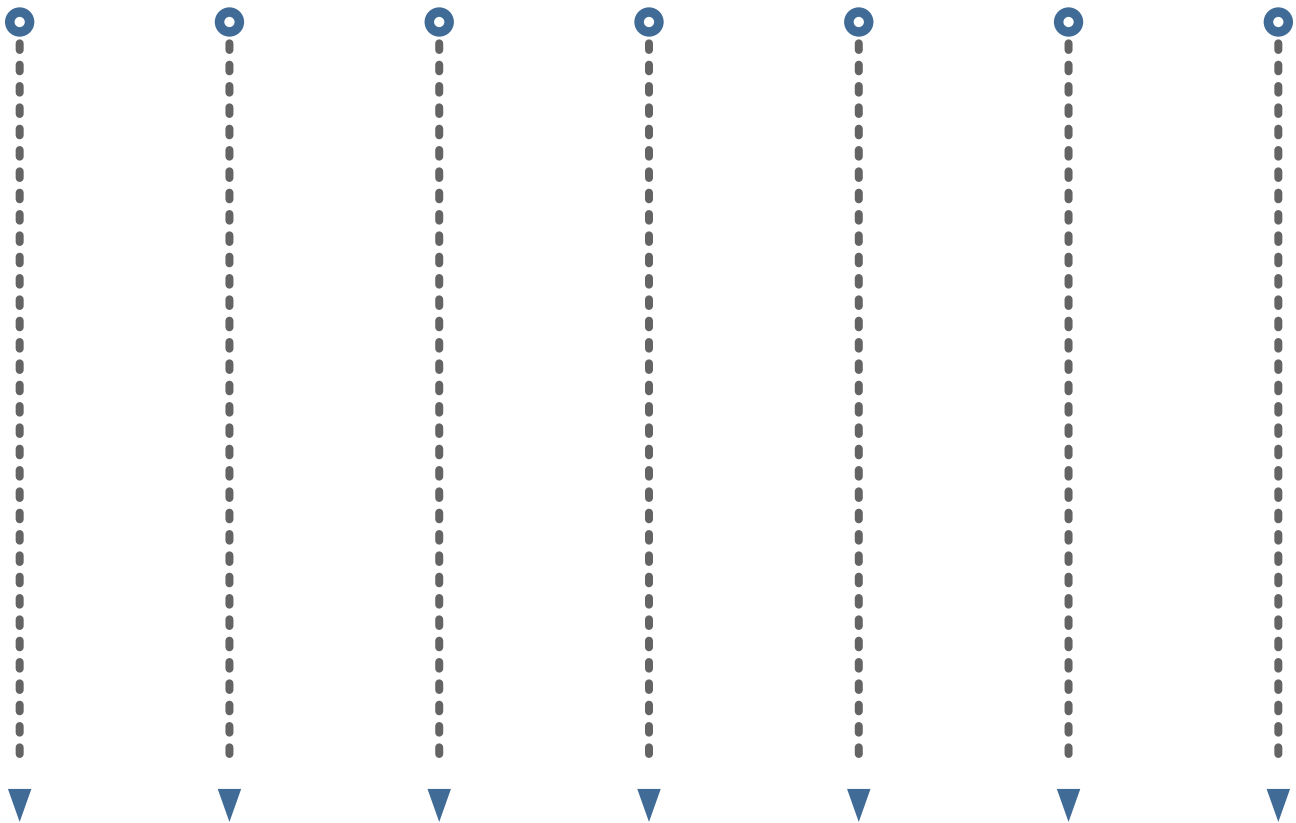

Vertical lines

Start at the top teal dot — trace straight down

Short downs

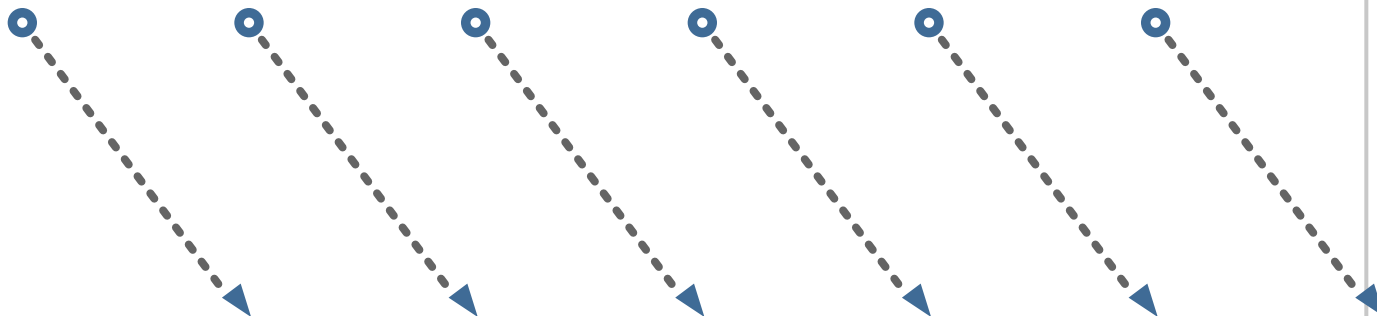

Longer downs

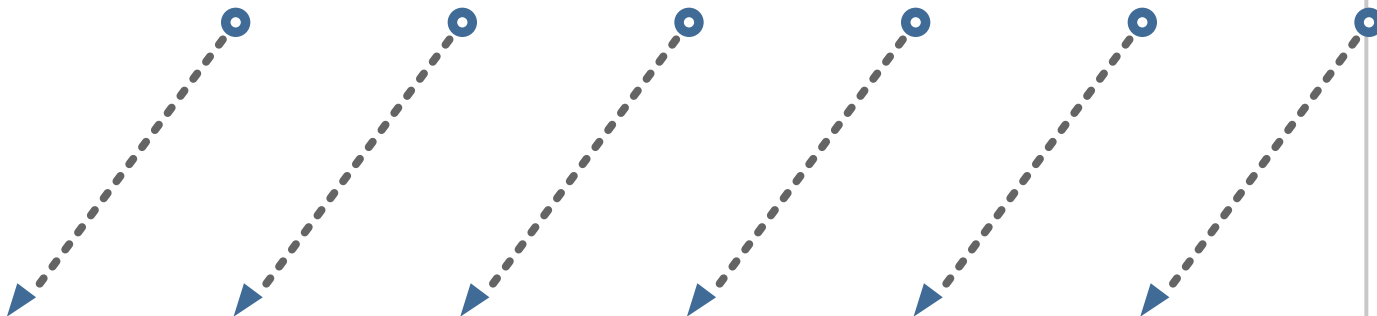

Diagonal lines

Trace sloping paths — both directions

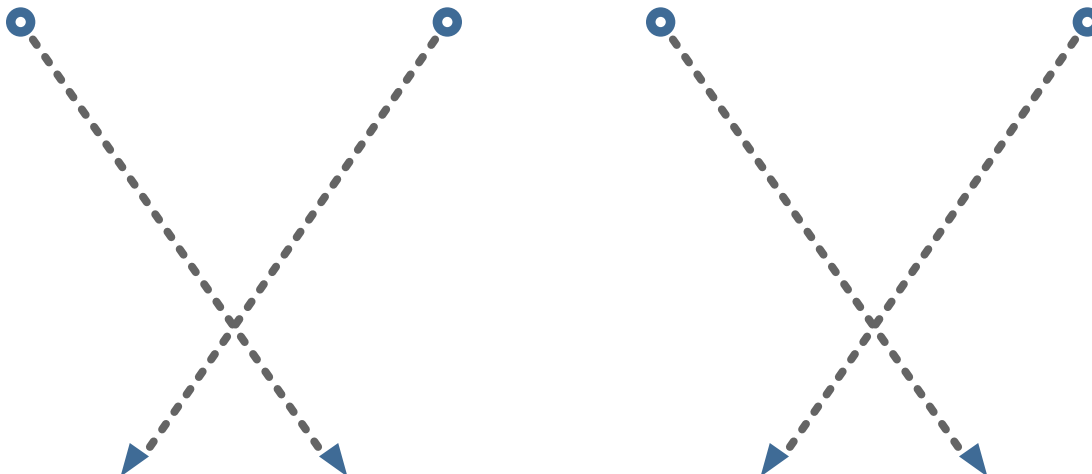

Down to the right ■

Down to the left ■

Longer diagonals

Curves & waves

Follow the bumpy path left to right

Gentle hills

Medium waves

Bigger waves

Quick ripples

Tall hills

Smooth waves

Zigzag lines

Sharp turns — stop and change direction

Easy zigzags

Medium zigzags

Tall zigzags

Quick zigzags

Big zigzags

Steady zigzags

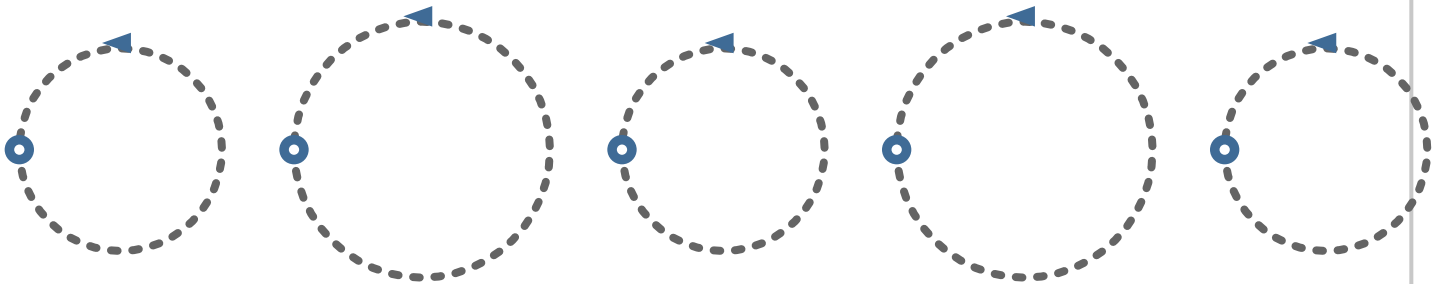

Loops & circles

Round and round — pencil stays on the page

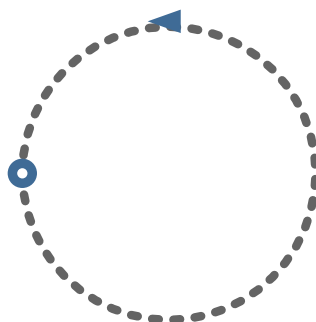

Connected loops

Circles — start at the left, go around

Big circle practice

Mixed path practice

Use the start dots and arrows — try every path

1 · Straight
